

Situated in the heart of Charing Cross with two large dining areas, a vibrant bar and a heated & covered outdoor terrace, The Baby Grand is the ideal venue for your special occasion or business event.

With various food and beverage packages available, we would be delighted to cater your event to any requirements you may have. In the past we have hosted birthday parties, anniversaries, networking events, post-conference dinners, communion, graduation celebrations and many more.

Whether you would like to hire our whole venue or prefer to book a certain section, we will do everything we can to make sure you have an event to remember.

Our bar and restaurant is a sophisticated dining area overlooking the famous Mitchell Library, and features the baby grand piano from which we take our name.

With a seating capacity of up to 50 people, the room is ideal for both a sit-down set menu or a casual buffet, and features a fully stocked bar with a fantastic range of wines, beers and cocktails.

The adjoining snug area is a cosy spot for more intimate gatherings, seating up to 22 people for either dinner or buffet service.

The area also features our open kitchen for those who like to be in among the action.

The outdoor terrace seats up to 48 people, and is the perfect spot for cocktails in the sun.

We also have a covered canopy area and heating for when the Scottish weather kicks in!
